Vision and Rationale

St Paul's exists to treasure Jesus together for God's glory and the joy of all people. We seek to be a church that unites our diverse community in the good news of Jesus Christ.

During the COVID-19 pandemic, our primary concern is public health and the health of our church members. These policies have been enacted in regards to changes in regulations of the Public Health Act, and in regard to the government and health authorities.

As more changes are made to the state-wide restrictions, these policies and procedures are to ensure that we have safe practices both on and off-site.

A further risk management plan has been attached regarding specific control measures and procedures. These have been in consultation with Safe Work and NSW Health guidelines.

Public Health Policy

1. Participants who are aware of or show any respiratory symptoms are to remain at home.
2. Temperatures are to be checked at the Check-in desk upon entry of the building.
3. When on the site, people are to adhere to social distancing regulations of 1.5 metres.

The Atrium is currently set up so that meetings and Community Groups can occur, whilst adhering to social distancing of 1.5 metres apart.

4. If a participant is made aware of themselves or another participant's positive testing of the Coronavirus, a staff member must be made aware.

This will then be immediately escalated to the Senior Minister and the Wardens.

5. Meetings will have a maximum of 20 participants on site. Members who are serving as livestream are considered essential workers.

6. Participants will be informed if a case has been confirmed as positive.

7. Participants who have been in contact with a confirmed case of Coronavirus, must be tested and self-isolate for a period of two weeks, before re-entering the premises.

8. St Paul's will organise cleaning for the site for proper and professional sanitisation before the next session.

9. The St Paul's Church building will remain closed for people who are not booked into the site.

10. The following groups are authorised by St Paul's to access the church building for ministry or meeting purposes, (01L04-2)

- Junior and Senior Fridays Youth Group
- D-Teams
- Community Groups
- Junior and Senior BOOM! Kids Club

11. Community Groups will be permitted to meet off-site, on the proviso of adhering to space regulations and these policies.

Cleaning and Hygiene Policy

1. Upon entry of the site, people are required to use the hand sanitiser.
2. All frequently touched surfaces in high-traffic locations must be wiped and disinfected after the meeting.

These surfaces include, but are not limited to:

- Tables
- Microphones
- Musical Instruments
- iPad
- Door Handles and Railings
- Disabled Bathroom Facilities Door
- Toilet, taps, and bathroom door

3. All cleaning by groups are to use the approved and provided disinfectant, and paper towels or domestic wipes.
4. St Paul's will organise regular cleaning for the site for proper and professional sanitisation.

Site Policy

1. All meetings and groups that occur on the St Paul's site must be pre-booked with administration, and confirmed by administration.
2. All group facilitators must have read these policies before the commencement on site.

Posters and documents will be at the site to assist participants with cleaning and health procedures.

3. All participants must be checked-in and out when entering the premises.
4. By entering the premises of the building, participants agree to adhere to these policies.
5. The Atrium and the Church Building are the only permit-table booked sites.
6. The Kitchen will be closed.
7. For Community Groups that meet off-site, facilitators must ensure sufficient space of 4m² per person.
